- Table-Bench  
The table-bench fits 3 persons comfortably to have lunch or work, and can also be used as a display shelf.
- Bench  
The single bench fits easily 3 persons and can be use all around the house or office.
- Planter and Bin  
These multi-use terrazzo pots and bins will fill your space with green plants, offer a solution for those messy umbrellas in the hallway or to hide those undesirable trash bins.

NOTICE

As terrazzo is hand made, it may show slight variations in grain size, colour, cement mix and occasionally small superficial cracks. These variations are inherent to the nature of the material and should not be seen as defects or quality problems. Like any other natural stone, terrazzo (engineered stone) requires basic maintenance and attention to ensure its longevity and beauty. Use only products which are stated to be suitable for engineered stone or natural stone care.
